

Please note that not all products and sizes have Rush printing available.

Orders will print in (2) two business days after approval and processed payment. They will ship on the (3rd) third day.

ROUND CORNERS: Add (1) one additional business day to turnaround time.

ORDERS PLACED BY 9AM PST, AND APPROVED BY 12PM PST, WILL PRINT IN TWO BUSINESS DAYS AND SHIP ON THE THIRD BUSINESS DAY.

For instance, if an order is placed by Monday, 9am PST, we will send you an online proof within three hours. Once you approve the order (by noon PST), your order will be sent to print and will ship by Wednesday. Please note that if there are any issues with files not being print-ready or credit card issues, we will not be responsible. You need to make sure you are following up on your order.

Rush Turnaround Example:

Please allow one day for receipt of labeling and billing information before counting turnaround time for shipping from UPS. For example, if you are quoted a shipping time of 3 business days from February 3rd, please allow the first day for GotPrint to relay your information and for UPS to pick up, and the following 3 business days/non-holidays for your shipment to arrive.

Additional Holiday Turnaround:

Please be advised that during the holiday season, our rush printing turnaround time will be extended by an additional (2) two business days due to an increase in volume. Thank you for your cooperation.
